

Certified, Verified and Self-Verified Cable Products

**11/16/11 10:40:21**

CableLabs makes this list of CableLabs Certified, CableLabs Verified, and Manufacturer Self-Verified devices for the convenience of consumers, retailers, manufacturers, and cable operators. Certification and Verification means that a product successfully passed the applicable test suite as administered by CableLabs. Certification and Verification does not certify or indicate that the product is in conformance with the applicable specifications, other standards or specifications, FCC rules, license obligations (e.g., under DFAST or PHILA), or any other applicable legal, regulatory, or contractual requirements. Manufacturers may also Self-Verify products in accordance with the applicable FCC regulations, and notify Cablelabs of such Self Verification. CableLabs does not test, review, or make any opinion on such Manufacturer Self Verified devices.

Neither CableLabs nor any member company is responsible to any party for any liability of any nature whatsoever resulting from or arising out of posting, use, or reliance upon this document. This document is furnished on an AS IS" basis and neither CableLabs nor its members provides any representation or warranty, express or implied, regarding the accuracy, completeness, or fitness for a particular purpose.

Legend

- PTV CRT Projection TV
- MMD LCD Projection TV
- LCDP LCD Projection TV
- LCD LCD Panel
- PCA Personal Computer Adapter
- PDP Plasma Panel
- DLP Digital Light Processor
- LCOS Liquid Crystal on Silicon
- ILA Image Light Amplifier
- STB Set Top Box
